Experience

Feb 2025 – Present Singapore

UX UI Designer – Manager
UOB

- Design digital banking experiences for business customers using UOB Infinity.
- Led the UX redesign for UOB Infinity's rebranding, working with designers, product owners, and business teams to bring the new visual direction to life.
- Designed features for projects such as Design QA, Thailand IDB Payments, and Online Fraud Monitoring.
- Worked closely with stakeholders to understand business needs and translate them into simple, user-friendly solutions.
- Ran workshops, created wireframes and prototypes, and collaborated with developers throughout implementation.
- Helped maintain the design system to keep experiences consistent across products.
- Supported and mentored junior designers by sharing feedback, reviewing designs, and collaborating on day-to-day work.

Jan 2022 – Jan 2025 Singapore

UX designer – Senior Officer
UOB

Jul 2015 – Dec 2021 Singapore

Senior Graphic Designer
Suntory F&B International (APAC)

- Designed kiosk/mobile UIs and print assets for campaigns across APAC
- Built kiosk and mobile UIs that made ordering easier
- Ensured consistent branding across digital and offline touchpoints

Jul 2013 – May 2015 Singapore

Web Designer
Farnell Global

- Designed wireframes and prototypes
- Partnered with developers to bring web pages to life
- Ran A/B tests to fine-tune landing pages and improve UX
- Worked across APAC teams, integrating data feeds into CMS-driven sites
